LEARNING MANAGEMENT SYSTEM

What is LMS?

A learning management system is a software that helps you to create, manage, organize, and deliver online training materials to students/learners.

LMS LOGIN PAGE

URL - <https://lms.kluniversity.in/login/index.php>

The screenshot shows the LMS login page with the KL University logo at the top. The login form contains two input fields: 'Username or email' and 'Password'. A red 'Log in' button is positioned below the password field. A link for 'Lost password?' is located at the bottom left of the form. A green 'Cookies notice' button is at the bottom center. Red arrows point from the text labels 'Student ID' and 'Password' to the respective input fields.

LMS LOGIN PAGE

For the students who are logging in for the first time

The screenshot shows the LMS login page for KL University. The header includes the KL University logo and the CDOE (Center for Distance and Online Education) text. The main heading is "LMS LOGIN PAGE". Below this, a message states: "For the students who are logging in for the first time".

The login form is titled "Change password" and includes a navigation bar with links: Home, Dashboard, My courses, and Help. A search icon is also present. The form contains the following fields and instructions:

- Username:** 22914080010
- Password requirements:** The password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 upper case letter(s), at least 1 special character(s) such as @, %, ~, or #.
- Current password:** A text input field with a red box around it and an arrow pointing to it from the text "Enter 'Student@123'".
- New password:** A text input field with a red box around it and an arrow pointing to it from the text "Enter new password".
- New password (again):** A text input field.
- Save changes:** A green button.

At the bottom of the form, there is a red box with the text "Required". The footer of the page includes the KL University logo, the CDOE text, and a Windows watermark: "Activate Windows. Go to Settings to activate Windows."

KL University
MBA - 1st Semester - AP 2022-2023 - Odd Semester
22MB51C1: Principles of Management & Organizational Behaviour
Max Marks: 10

HA1: QD 1

Read the following case carefully and give the solutions for the questions given by drawing the appropriate concepts from the curriculum.

'Shudai' is a washing machine manufacturing company. The company decides to enter mass system manufacturing industry. The company has a committed top management. It knows that there are serious challenges in the market where its decisions regarding the new industry might fail. Still the top management doesn't want to waste a lot of resources on its plans. It knows that sometimes plans take more time in making than getting implemented. However, the company wants to proceed with a positive approach. It has decided to study the aspects of its competitors, to set all its objectives and to allocate the required resources. The company did well in its previous business. At that time, they took planning very seriously as they knew everything the company would do had to be based on concrete plans. The company will start its operations from next month.

Questions:

- Which function of management has been discussed in the above case?
- Which limitations of planning have been highlighted in the above case?
- Which type of plan is indicated in the above case?
- Which feature of planning is highlighted above?
